DISCOVER & EXPLORE OUR REGION

The North East of Victoria is renowned for its natural beauty, abundance of world-class winemakers, passionate artisan producers, stunning villages and historic towns.

Wangaratta lies at the heart of the region, with Glenrowan, Beechworth and Rutherglen only minutes drive away, and the snow fields just an hour and a half by road. The celebrated Milawa Gourmet Region and historic Brown Brothers winery is on our doorstep, and the King Valley, known as "a little slice of Italy" just a few kilometres further down the road.

Wangaratta's road, rail and air links make it the ideal location from which to explore the region.

Wangaratta is the natural base for visitors wanting accommodation whilst they visit Victoria's High Country – a region rich in history, outdoor activities, viticulture and gastronomy.

We are pleased to partner with regional providers to organise pre, during or post event tours – from pedal to produce cycle journeys to hauntingly memorable ghost tours!
