

At Quality Hotel Wangaratta Gateway, the health and safety of our employees and patrons is our priority. That's why over the last few months we have been working hard behind the scenes to implement a range of measures which are in place, aimed at reducing the risk of spread of COVID-19

PHYSICAL DISTANCING

Guests and employees will be required to comply with physical distancing measures while on property, all of which are in accordance with government mandate requirements.

CLEANING PROTOCOLS

High frequency cleaning will be implemented across all areas of our complex with an emphasis on high contact surfaces and frequently used areas

HAND HYGIENE

Frequent hand sanitisation will be encouraged, with hand sanitisation units placed across the property for use by guests. Employees will be required to wash their hands or use hand sanitiser at frequent intervals

CONTACT REGISTER

REQUIREMENT

In line with government requirements, guests of Atrium Restaurant dining areas will be asked to provide contact details for more effective contact tracing if required by health authorities
